Agenda Items:

Snowsport England Update

ZH joined the SE Board as a Members Director in 2019. Attends quarterly meetings, great opportunity to share first hand experiences from local and national races, liaison between clubs, regions, race days and the SE Board. The 2020 SE regional funding submission is to be submitted by 31 January 2020. Core funding available subject to completion of 5 criteria points, additional funding can be applied for. ZH to submit following input from committee and to add new events LSERSA wish to run and would like funding for - ACTION ZH

Discussion was held regarding clubs affiliating to the LSERSA region. To be reviewed - ACTION SR

Review of Race Series

JA confirmed the series ran well, the committee noted the hard work involved, LSERSA racer numbers increased. It was agreed that LSERSA would like to actively promote themselves and the race series to Folkestone Ski Race club, its members and the wider LSERSA community. ACTION SR to draft flyer - ACTION JA to advise of Folkestone contact.

The race committee will consist of JA, AA, TE and DW and meetings/discussions will be held pre-race series/pre-races/post races/post race series. All queries should be emailed to JA. Minutes from meetings will be sent to the committee.

Race Calendar

JA confirmed dates agreed for 2020, the committee noted the good distribution of races this year. Calendar will be added to www.gbski.com asap - ACTION JA
It was agreed that race entry fees will remain as per incumbent.

Tri-regional / Other races

JA confirmed that the Tri-regional will be at Welwyn and will be run by ERSa. The Inter Regional in May is a SE event. The GBR2 will be a SE and a Chatham event. The Southern England Champs will be a Snowsports South and a LSERSA event.

Regional Training

JA confirmed this is running well. LSERSA would like to hold regional coaching training sessions and an officials training (children to benefit from a free training session if parents attend officials training).

JA advised the payment process should be reviewed on weeks when JA is not in attendance.

The committee agreed the coach in attendance should be responsible and the collection method should be adhered to:

- JA to advise coach he will not be attending
- Coach to collect money box from shop or reception

- Coach to collect fees/complete signing in sheet (nb: this can be delegated to a parent)
- Coach to ensure slope is paid after the session
- Coach to return money box to the shop or reception

An increase in coach's fee was discussed. It was agreed that the coach fee would increase wef 1.2.20 and this would be reviewed in six months. - ACTION NH to provide regional training accounts as at 1.8.20

Schools' Races

The London Schools' Race is to be held 21st June at Welwyn. Discussion was held as to volunteers attending and JA requested assistance as JA and AA may be away racing on the day. Further discussion and agreement and requests to be sent as to roles required and who can action these on the day. - ACTION JA

Equipment

New gates are required - ACTION TE to order.

It was agreed that requests for use of LSERSA equipment must be made one month prior to required date.

The LED timing board is too small and LSERSA have purchased a new mobile one. It was agreed that Chatham would purchase the old LED and permanently mount on their timing hut - ACTION Chatham to pay LSERSA agreed amount.

Equipment Hire Charge

Discussion was held as to the fee charged and it was agreed that all cases would be reviewed on a case by case basis.
